

## Some Project Topics:

1. Computer Security
2. Data Security
3. Internet security
4. Cluster Computing
5. Gaming Algorithms
6. Artificial Intelligence
7. Expert Systems
8. Data mining
9. Data Recovery
10. Operating systems
11. Fuzzy Logic
12. Neural Net
13. Bioinformatics
14. Computational Science
15. Emerging Languages
16. Emerging Technology
17. Networking
18. Wireless Communication
19. ...
